

Since 2011 until now, SPS Engineering in partnership with National Atomic Agency has been undertaking industrial services to our Customers all over Indonesia. The services are mainly covering dismantling, transportation license application, permit application for waste disposed-off site and disposal to final facility and limited supplies or engineered protection radiation equipment and devices. A total of up to 90 projects are run over the last 3 years.

PROJECT REFERENCE LIST

Year	Client	Works Scope	Total Contract Value IDR	Status
2011	Indonesia Power, All Over Indonesia	Dismantling, Transportation license application, permit application for waste disposed-off site and disposal to final facility of 76 types of spent isotopes	600.000.000	Completed
	PT. Bukit Asam, South Sumatera	Dismantling and radioactive waste disposed off-site	70.000.000	Completed
	PT. Indah Kiat Pulp and Paper, Perawang	Dismantling and radioactive waste disposed off-site	200.000.000	Completed
	PT. Indah Kiat Pulp and Paper, Serang	Dismantling and radioactive waste disposed off-site	80.000.000	Completed
	Pertamina, Plaju – Sumatera Selatan	Dismantling and radioactive waste disposed off-site	40.000.000	Completed
	PT. Pupuk Iskandar Muda, Aceh	Dismantling and radioactive waste disposed off-site	80.000.000	Completed
	PT. Djarum, Kudus – Jawa Tengah	Dismantling and radioactive waste disposed off-site	40.000.000	Completed
	PT. Toba Pulp and Paper, Toba – Sumatera Utara	Dismantling and radioactive waste disposed off-site	80.000.000	Completed
	PT. Bentoel, Malang – East Java	Dismantling and radioactive waste disposed off-site	60.000.000	Completed
2012	PT. Gudang Garam, Kediri – East Java	Dismantling and radioactive waste disposed off-site	90.000.000	Completed
	Pertamina Plaju, South Sumatera, Balongan & Cilacap - Central Java	Dismantling and radioactive waste disposed off-site	110.000.000	Completed
	PT. Newmont, Nusta Tenggara	Dismantling and radioactive waste disposed off-site	52.000.000	Completed
	Panasonic, Cikarang – West Java	Dismantling and radioactive waste disposed off-site	30.000.000	Completed
	RSU Dr Sardjito, Yogyakarta	Dismantling and radioactive waste disposed off-site	60.000.000	Completed
